

Spring Mill Senior Living Celebrates Two Year Anniversary

Phoenixville, PA – Local community Spring Mill Senior Living recently marked its two year anniversary with an outdoor Luau. Residents, family members and staff celebrated as one community. The open-air party was held during a cold-snap but a little drizzle could not keep their island spirits away!

The 200 guests in attendance were treated to the musical styling's of the Bill Koss Combo, enjoyed island fare, and danced the evening away. "It is so wonderful to see the strong sense of community that has been built since our opening in October 2009," says Executive Director, Karen Garland. "This time two years ago we were walking through an empty building getting ready to welcome new residents. Now almost 70 people live here and even more work at Spring Mill. It's amazing what two years can do," Mrs. Garland continued.
